

Student Advisory Council

November 18, 2021

Agenda

- Welcome
- Topics for Discussion: Students and Technology
 - New student portal demonstration and discussion
 - Digital equity for students
 - Supporting non-traditional students with technology

Student Portal Demo

- What do you like?
- What is missing the mark?
- What additional ideas or thoughts?

Digital Equity

- What challenges have you seen students have with accessibility?
- What should our priorities be as we are looking to make the digital experience more equitable?
- What role should technology play in our diversity, equity, and social justice focus?

Non-Traditional Students and Technology

- Are there campus-based services that we need to extend to virtual students?
- Are there technology challenges for non-traditional students that we need to address?

Thank You!
