

VERMONT

— STATE COLLEGES SYSTEM —
TRANSFORMATION

Student Advisory Council

September 15, 2022

Agenda

Introductions

Student Advisory Council

Transformation Overview

Prioritizing future work of the Council

Introductions

Students:

- Name
- Current campus or affiliation
- Program or area of interest

Other Participants:

- Name
- Current campus or affiliation
- Role and connection to Transformation

Student Advisory Council

- Get student input and feedback at each stage of the process
- Participants are both advocates for students and ambassadors of the process

Logistics:

- Meet approximately monthly during the semester
- Meetings are recorded so that a transcript can be generated and posted on the Transformation site (video not posted)

Dates for Fall 2022:

- Thurs, Sept 15, 6:00 – 7:30 p.m.
- Thurs, Oct 20, 6:00 – 7:30 p.m.
- Thurs, Nov 17, 6:00 – 7:30 p.m.
- Additional dates to be added

Transformation Overview

Goals for Transformation

- Bring together the strengths of VTC, Castleton, and NVU
- Put the institutions of the VSCS on a sustainable financial footing
 - \$5 million deficit reduction per year for 5 years (Increase revenues, Reduce costs)
- Establish the foundation for the future of higher education for VT
 - High Quality
 - Affordable
 - Accessible
 - Diverse, Equitable, and Inclusive
 - Relevant
 - Innovative - focused on the future of learning and work

Two Interlocking Objectives

Creating Vermont State University

- Consistent, engaging, and supportive processes
- Additional options for students
 - Programs
 - Modalities
 - Campus experiences
- Strong connection to the community and employers

Better Administrative Operations

- Effective and efficient processes
- Stable and responsive systems and infrastructure
- Shared services for key administrative functions
 - Reduce administrative burden
 - Focus on better service for students and faculty
 - Technical specialization and economies of scale

Questions

What are things that excite or interest you about the Transformation?

What fears or concerns do you have about where things are headed?

Project Management Process

What is working?
What is not working?
What are best practices?

Details about services, processes, and systems needed.

Build, adapt and modify programs, systems and processes to match design.

Roll out and provide training and support for new processes, systems, and tools.

Evaluate the process and results. Plan for additional improvements and optimizations.

Scope of Transformation

Sponsor: VTSU President			Sponsor: Council of Presidents
